Enjoying your vacations at Prasonisi, Rhodes Island

In Rhodes Island the beautiful place of Prasonisi is very near to the Aegean Sea. The road distance of Prasonisi is 95 km south from the Rhodes town and from the Kattavia village it is 12 km away. It reflects the beauty of nature in exact manner, and, a must visiting place for tourists. The meaning of Prasonisi in Greek language is Green Island. The meaning shows that it is green seacoast all around. The weather conditions really suits the kite flying there.

Various activities are performed throughout the year because of the changing weather conditions. You will see that more visitors visit Prasonisi in summer due to the lowering of water level. On the other hand, it becomes an island at winter time, when water level gets higher.

Sea Cost: The Sea-Cost along with the rolling hills and sandy beach gives us the beautiful view of nature. Linking Rhodes to Prasonisi is through the sandy beach, which covers 500M from both sides of it. 'Wave' beach and 'flat' beach are the two types of beach that you can see there. The old light house at Prasonisi is really designed in a beautiful way.

Weather Conditions: Having moderate weather, Prasonisi keeps a lot of attraction for tourists. The flowing of wind from four to six is Beaufort very good and visitors enjoy a lot at that time.

Water Sports: Famous water sports of this place are the windsurfing and the kite surfing. For a surfers delight, the high tides that often rise as high as 4 meters provide the best surfing conditions. Kite surfers are delighted at the beach due to the fast flow of wind. The place has many other activities along with the sea water. Sports are a major attraction for the tourists coming from the distant areas.

Facilities at Prasonisi: All necessary facilities are present at its nearest village Kattavia for tourist's convenience. Facilities to the tourists may include motels, stores etc. The tourists have the opportunity to hire the windsurfing accessories when the wind blows at full bloom. Just near to Prasonisi, there is an ancient settlement Vroulia that has a structure of tiled floor and is very old.

How to reach there? In order to arrive at Prasonisi you have to reach the town of Rhodes. The Rhodes town then leads to the small village of Kattavia. Prasonisi makes you feel like as if you have entered into a very special place on earth.
