Great Ways To Plan For A Trip To Cornwall

Adventure is found in many places, especially when traveling to new lands and meeting new people. In southern England lies an ancient land where Celts still live called [Cornwall](#). Its people understand how to share the celebrate life with both friends and visitors. Located on a peninsula and surrounded by the Atlantic on one side and the English Chanel on the other, Cornwall is in the southern UK. Still carrying its Celtic identity and history with pride; it has found a compromise with the present without losing the sense of history and ancient heritage.

There are many towns in Cornwall that still have a taste of the medieval world while providing modern day amenities. Penzance is a town that is reviving a few of the old festivals plus it has great ways to spend time shopping because of its history of being a market town. Saint Michel's Mont lies not far off its coast. Saint Michel's Mont has a castle and a monastery on it and can be accessed by road when the tide is down and by boat when the tide comes in. The island has its own activities and celebrations.

The land located around the Atlantic coast of Cornwall offers underdeveloped areas that allow the sightseer the taste of the wilderness with unaltered coastlines and moors. The southern side, around the English Channel, has a gentler charm about it. The outdoor theater of Minack is nestled into a cliff and opens to the southern waters surrounding the peninsula. Furthur down the coast, check out the granite cliffs of Lands' End. This area has been preserved by the land trust and has for centauries been a grand subject for painters of all talents.

The beauty of the coast and land creates an environment specializing in seafood. The visitor can find a wide range of treats on their visit. Many pubs and taverns operate in the towns around the area, providing a haven for traditional food. Visitors will not want to miss sampling the clotted cream and Cornish pastries. Travelers want to organize a trip to Cornwall may be challenged due to the vast number of activities available. For the first time visitor, having some suggestions about where to stay for an overnight visit and which restaurants provide what specials can help.

The visitor can check out what is at the Minach Theater and when the tides rise and fall at Saint Michel's Mont. Cornwall offers a rich history of angels and giants as well as many modern day treats. This is the place for someone to experience shore lines that are still wild and towns that celebrate their history and their present day experiences.
